14TH August, 2009

The Managing Director,
BAS Associates Consulting Limited
(Organizers of IREC)
72, Adeniyi Jones, Ikeja,
Lagos State

Dear Sir,

RE: IREC 2009, October 13 -15, 2009

I am directed to convey to you in respect of your letter dated 4th June, 2009 inviting the Ministry to partner with you and sponsor the conference.

After much consideration we hereby advise as follows:

1. That the Special Climate Change Unit(SCCU) would like you to expand the vision you have for the conference and exhibition to include a "Climate Change Techno-Expo". This will attract much interest for climate change as well as organizations involved in climate change and clean energy technology.
2. The SCCU shall support IREC , through sponsorship letter to raise sponsorship from various local and international organizations that we partner with. This will include potential sponsors and exhibitors for the Techno-Expo. The Ministry will communicate directly with these organizations to solicit their support.
3. The conference and techno-expo shall require publicity and the SCCU will directly encourage the media and other organizations to provide publicity and coverage.
4. The SCCU will make available, through donor sponsored arrangement, a page write up of the Techno-Expo concept to be included in the programme brochure.

5. The SCCU will provide a logo for use in the conference materials
6. The SCCU will nominate someone to represent us at the LOC meetings

We congratulate you on this worthy initiative and wish you all the best.

Thank you for your usual cooperation

For: Federal Ministry of Environment
